- Darkus Knightley series -Rohan Gavin (adventure)
- Millions -Frank Cottrell Boyce (family)
- The Indian in the Cupboard - Lynne Reid Banks (fantasy adventure)

Suggested places to search for new books:

Waterstones and Amazon websites will provide a list of titles based on age range or interests.

The CILIP Carnegie award has short-listed books for KS3 children each year - their website also has previous winners which would be worth considering.

The Times, The Telegraph, The Guardian all have recommendations which range across all age ranges on their websites.

The Book Trust has a great website which offers suggestions for all ranges and tastes.
