

Welcome back to School!
September 2020

Year 6

Letter From Mrs Kennedy

Hello Year 6,

We are really looking forward to having you all back in school; it has not been the same without you!

For those of you who have not been in school since March, you will notice a few changes. There are yellow footprints on the left hand side of the corridors, some of the classrooms have been organised a bit differently, so that all the tables are facing the front and just wait until you see the fantastic paintings on the walls outside!

As always, we want you to feel safe and happy as this is the best way for you to be feeling in order to learn. And you will be doing a lot of learning! We have decided to keep your form classes the same so that you have the people that you know well around you and you don't need to worry about who is or isn't in your new class. The timetable will be a bit different for the first few weeks. Your form class will be taught in the same room for nearly all of your lessons; the teachers will move around rather than you. Some of the teachers will be in this "bubble" with you and you will only be taught by them.

You will be in a "Year 6 bubble" so although you will be in the same class all day, you will be able to play with anyone from Year 6 when you are outside. The times of your breaks and lunches will be slightly different to the other year groups so that the corridors are never busy. You will need to stay in single file in the corridors and there will be no overtaking!

So enjoy the summer, I hope that we have plenty of lovely sunshine and we look forward to seeing you all on Thursday, 3rd September.
